#### **Refund policy:**

If, for some reason, **we** must cancel the event due to COVID-19 related reasons, **OR** if we do not get at least 150 registered by 8/15, **a refund, change to virtual, or a deferment** will be given to everyone registered. No refunds are given for personal decisions not to attend.

**The goal is to have as little person to person contact and to keep socially distant (6 ft.) as much as possible. So, these are the things that we need to do In order to be compliant with COVID-19 protocol:**

1. Spectators will not be allowed this year due to the added COVID-19 protocols. The only exception is for registrants that are under the age of 18.
2. Facemasks must be worn before and after participation in the event, but are not required, nor encouraged during athletic performance. Facemasks with valves ARE NOT ALLOWED.
3. Mark yourself before arriving to event. Write your number on both upper arms vertically, on both thighs horizontally, and write your age (**as of 12/31/2020**) on the back of your right calf. Please use a broad tipped permanent marker. We will let you know your number by 8/21/20.
4. Packet pick up will be RACE DAY ONLY. We will have your packet ready to go, at the time of your arrival, with shirt, finisher medal, bib, timing chip and any swag offered.
5. This year we will provide you with a disposable chip for timing. That chip will be associated with your bib number, and must be worn during the entire event on the **left ankle**.
6. This year, bike rack space will be assigned to you. We will have it marked with your bib number.
7. **Everyone must bring their own water.**
8. We will not be able to have an awards ceremony this year, so, unlike the last 19 years, we will not be able to have the party atmosphere as in the past. Due to the time trial start, awards cannot be tabulated until the last participant completes the course. We will inform every one of the final award status, and you will be able to pick up your award at:  
**Crossroad Bikes**  
14510 NW Military Hwy  
San Antonio, TX 78231  
210-492-7677  
Time to be decided.
9. Light food will be provided via individually packed lunch bags.
10. Logistically, there will be just a couple of changes, primarily on the swim portion. We are changing the distance from 400 meters to 350 meters. This will allow everyone to enter at the side gate of the pool, and exit from the back gate. This will help keep social distancing intact. Your estimated swim time should still be based on 400 meters, as we have had around 50 people already registered that based their time on that distance. We want to keep it consistent.
