If you purchased a parking pass for Piazza Italia Parking, it is best to enter San Saba and Santa Rosa into your GPS.

It is best to use N Pecos-La Trinidad, take a left (west) on W. Martin and a left (north) on N. San Saba to get to this spot.

Parking:

We understand that each person will have different plans for after the run that will affect where they want to park. Here is a website provided by the City of San Antonio on their ["Know Before You Go"](#) page that relates to parking during Fiesta San Antonio. We suggest clicking on this link to see [all parking garages](#) in the downtown San Antonio area.

VIA Buses will also be running on May 3rd down to the Run Start area as well as the Run Finish area. The VIA Park & Ride option for Fiesta Events is NOT a good option for the Fiesta De Los Spurs Run as the drop off zone is quite a distance and the option for the Flambeau Parade is too late for the run.

In order to get close to the Run Start area, look for connections to Line 4, 95, 96 and 97. Please note that there will be detours so plan on extra time, but the buses will still be stopping at their regular spots. Prices vary but will be under \$3.00. Here is the [Via website](#) click on the [Trip Finding link](#).

The closest spot for the finish line area is the VIA Centro Plaza on 909 W. Houston.

Ride share is always a great option and we encourage carpooling as the fewer cars we have clogging the streets, the better!

COSA Metro Health Department will be providing all the **water stops** along the parade route. You are welcome to stop at any water stop if you are in need of water. These stations will be identified with 2" orange plastic tape.

Finisher Medals to the first 1200 to cross the finish line!
