If you chose to pick your packet up at NEF and were not able to get there, your packet will be at the race site on Saturday morning.

PARKING:

We want to stress the importance of arriving early as we have over 2300 registered runners/walkers this year! There is plenty of parking on the NW Vista Campus, but because the run route will be on the streets, we will need to close off certain areas early in order to mark the route. **We encourage carpooling!** Lots 1-5 will be the first lots open for parking and you can access them from the entrance off of North Ellison Drive. This entrance will close at 7:20 am. Everyone arriving after 7:20 am will be directed to Lot 10 and can be accessed from the entrance off of Wiseman Blvd. Lot 10 has approximately 400 parking spaces. Be sure to arrive early to ensure you will have parking on campus.

As you can see, parking spaces are along the run route. If you need to leave before 9:15 am, please park in Lot 10.
