# IMA'S HOME

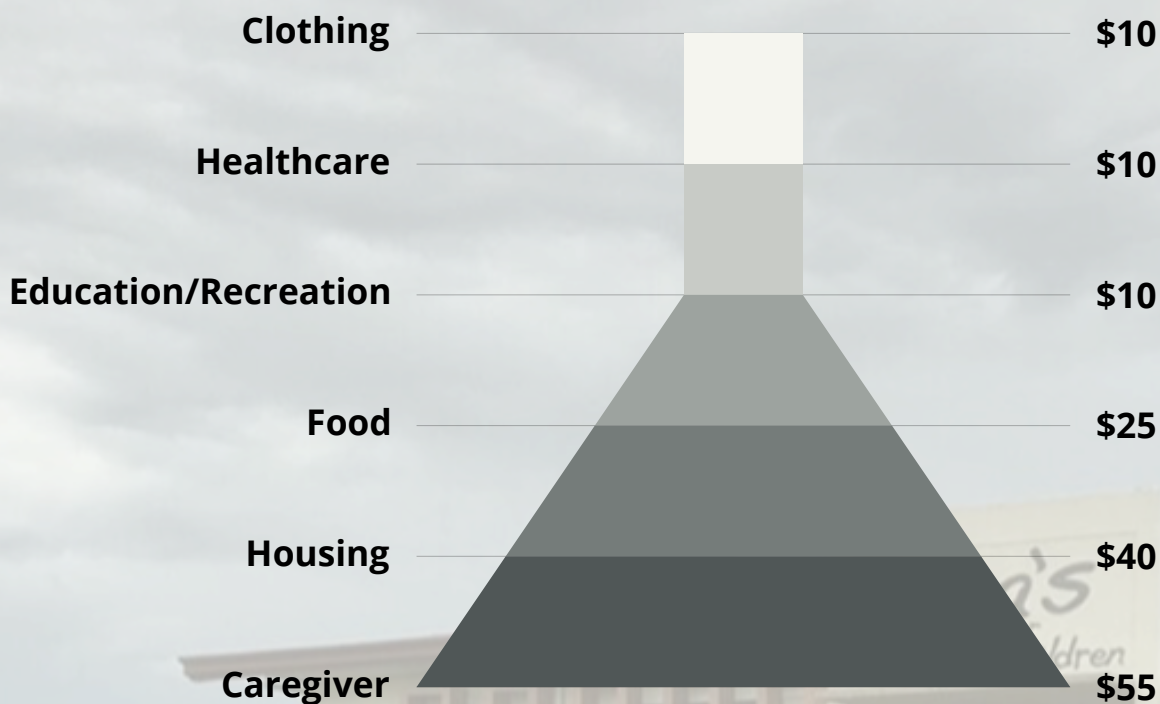

**By partnering with us to build a new dorm for the orphanage, Ima's Home, you aren't investing in a building, but in a generation desperately in need of the transformative power of the Gospel. On our most recent trip, while interviewing some of the young adults who had grown up in and out of Ima's Home, we encountered many powerful testimonies of how God is moving. Here is just one example: "Who is your favorite Bible character?" we asked. "Joseph" The young lady side confidently. Surprised at the unique answer we probed for more detail, "because you want to help lead the Philippines one day?" Her response brought us to tears. "No, because someday I want to forgive my family the way Joseph forgave his."**

**This young lady, like so many others before and after her, are on the path to healing, freedom, love, and belonging in Christ Jesus because of the daily work Ima's Home is doing. Please prayerfully consider partnering with us to enable them to reach more children in need.**

# WHAT IS OUR MISSION?

To restore family and community through the life-giving message of Jesus Christ by bringing hope and restoration to the hurting, abandoned, and abused children of the Philippines. Through the Ima's 5K Fun Run we are dedicated to raising public awareness about the alarming epidemic of homeless children and raising funds necessary to provide the following services at the orphanage.

# ABOUT THE EVENT

Ima's 5K Fun Run is the biggest fundraiser for Ima's Home as it covers approximately 2 months of expenses at the orphanage. This fundraising event is for the entire family. This is a timed 5K for any competitive runners, but also there's plenty of room for just those who want to walk. All profits from this event are used to provide food, shelter, education, medical expenses, recreation, and any new expansions needed to provide for the children that live at Ima's Home.

Below are the funds raised last year by Life Point Church in San Antonio, TX during our third annual Ima's Home 5k last year!
