

The last day of Early Packet Pick Up is:

Saturday, July 25th, noon-5:00 pm

Holiday Inn Express, 714 Corazon Dr., Marble Falls, Tx 78654

RACE DAY PACKET PICK UP ONLY IF PAID FOR THROUGH THE REGISTRATION SITE.

You can go in and edit your choice for packet pick up by going to your confirmation email and clicking on "Manage Your Registration," then click on "Change Answers." Edits end at noon on 7/25/26.

TRANSITION AREA: Opens at 5:30 am and closes at 6:50 am. No spectators will be allowed in the transition area. Bikes are open racked.

BODY MARKING:

Body marking is not required unless you choose **not** to wear your race bib on the bike. If you will not be wearing your bib during the bike portion, please write your **bib number on both upper arms** before arriving at the event.

Because the competition is expected to be strong, we would also like everyone to mark their race category on the back of **both calves** at home:

- **Intermediate Individual:** IDU
- **Sprint Individual:** SDU
- **Intermediate Bike/Run:** IBR
- **Sprint Bike/Run:** SBR

Thank you for helping make race morning run more smoothly!

TIMING CHIPS:

We will be using **disposable timing chips**, which may be picked up on **race morning beginning at 5:30 a.m.** You **must** show your race bib in order to receive your timing chip. Timing chips must be worn **on your ankle** during the race.

If you'd like, you may pick up your disposable timing chip during **packet pickup on Saturday at the Holiday Inn Express**. However, if you choose to do so, **don't forget to bring it with you on race morning!** We will not have replacement chips available at the start. If you leave it behind, you'll need to return to your hotel or wherever you left it to retrieve it.

BIKES: All bikes must have handle bar plugs and be in good working condition. Please do a standard bike safety inspection before the day of the triathlon. Helmets approved by the US Consumer Product Safety Commission (CPSC) are required. Be sure to carry your own hydration during the bike portion of the event. We will have bike support starting at 6:00 am for minor repairs.

PACKETS: Your packet will contain 1 race bib, a helmet sticker and a bike sticker. The bike sticker can be placed anywhere on your bike and is a security measure to make sure the bike leaves with the owner.

Run/Bike/Run Format – Race Day Start Times

This year's **Run/Bike/Run format** will follow the schedule below:

- **Sprint participants** will start as a group at **7:00 AM**
- **Intermediate participants** will start at **7:15 AM**

All athletes will begin with the same **2.2-mile run** route.

Athletes are responsible for staying on the correct run course for their division. Signage and directional arrows will be posted along the route to indicate where **Sprint** and **Intermediate** runners should turn

Transition Area Flow

- **Run In / Run Out:** Both will use the entrance to the transition area **closest to the pool**.
- **Bike Out / Bike In:** Both will use the **opposite end** of the transition area.

Please take note of these entry and exit points to ensure smooth movement throughout the race. Volunteers will be on-site to help guide you.

The Sprint people will run the 2.2 mile run twice.

The Intermediate people will run the 4.4 mile run on the second run.

[CLICK HERE to see a map of the transition area.](#)

BIKE: You are responsible for turning around at the correct turn around point on the bike course. There will be signs/arrows at each turnaround point along with a volunteer. Those volunteers will not know which distance you are registered for, so it is up to you to pay attention to those turn around points. Roads are open to regular traffic so all cautions must be taken and traffic laws must be followed. We will have police officers at all intersections that need traffic control. You must carry your own hydration on the bike course. Airpods and earphones of any type are not allowed at any time during the triathlon. Please be aware of the mount/dismount line coming out of and going into the transition area.

WATER STOPS: There will be 2 water stops on the run course. The Intermediate Distance will pass it 4 times, the Sprint Distance 1 time.

[Intermediate Bike Route](#)

Sprint Bike Route

If you are competing in the **Bike/Run category**, you must remain in the transition area with your bike racked while the first run is in progress.

You may **unrack your bike only after the first runner has exited the transition area.**

To help you identify when your category is starting:

- **Sprint participants will wear red bibs**
- **Intermediate participants will wear white bibs**

On the second run, please cross the street - Buena Vista - and **stay on the path** down to Avenue J.
