ROAD CLOSURES

The race is an out-and-back course on Holbrook Road.

All roads leading to Holbrook, south of Victoria's Black Swan Inn, will close at 6:15 PM. If you plan to arrive **after 6:10 PM**, the best way to get to the venue is to travel **south on Holbrook from Rittiman Road.**

The road closure at the north end of the course, at **Holbrook Road and Judivan**, will remain open until approximately **6:35 PM**. Once it closes, it will not reopen until approximately **8:15 PM. There will be NO exceptions.** A police officer will be monitoring this location.

If you arrive after the intersection has closed, you will need to park on a street **north of Holbrook and Judivan** and walk/jog to the starting line. It is approximately **1/4 mile.**

WEATHER UPDATE

We are also monitoring the forecast. It looks like there could be heavy rain and flash flooding on Wednesday evening and Thursday.

The race will take place **rain or shine UNLESS there is lightning or it becomes unsafe for people to get to the venue.**

There are a couple of low-water crossings along the route. We will be monitoring those areas closely and **will not allow anyone to cross a low-water crossing if it is unsafe.** If necessary, we will shorten the route.

If conditions become too wet, muddy, or otherwise unsafe to run the race at all, we will still meet at **Victoria's Black Swan Inn** to distribute race packets and enjoy a fun atmosphere together.
